

AMI Series

Magnetic Stirrers

Single-position or 4-position illuminated magnetic stirrer, particularly indicated for titrations

Resistant and Easy-to-use

Illuminated magnetic stirrer particularly useful for titrations. The illuminated surface facilitates the visualization of particles and color changes. It guarantees excellent speed control (electronic), even at low speed.

- Speed regulation up to 1100 rpm
- Excellent electronic speed control, even at low speed
- 4-position model provides independent speed regulation
- Possibility to adjust the illumination brightness
